		Final target	Target year	/	Standard year (2016)	2017	2018	2019
				Target				
				Result				
		/	2020	2021	2022	2023	2024	2025
		Target						
	Result							
	Reasons why the index was selected and for the target							
	Index Against the Purpose (Outcome Index)	Index					Unit	
		Final target	Target year	/	Standard year (2016)	2017	2018	2019
				Target				
				Result				
		/	2020	2021	2022	2023	2024	2025
		Target						
Result								
Reasons why the index was selected and for the target								
Finance [Recorded Amounts] (Unit: thousand yen)	2016	2017	2018	2019	2020	2021	2022	
	2023	2024	2025	[Trend of budget]				

Evaluation sheet for administrative services for 2017

1 Needs/Appropriateness					
Needs of citizens					
Possible alternatives					
Persuasive reasons why the city should undertake actions					
Rationale for the conclusion					
2 Effectiveness/Eligibility					
The purpose of the service is consistent with the measure.					
The index satisfies the target.					
Sufficient effects that match the costs spent are expected.					
Rationale for the conclusion					
3 Efficiency/Economy					
There are other administrative services with similar purposes and targets.					
There is no other room for improvements in process or costs.					
Knock-on effects are expected for local communities or other residents.					
Rationale for the conclusion					
Comments at Interim and Final Year					
Future Direction
