Loan for Single Mothers and the Widow Welfare Fund

Single mothers and orphaned children (under 20 years old) are eligible for a loan with no/low interest when they need money for moving, house repairs, medical care, and education.

○Eligible persons

- (1) Single mothers (women who do not have a spouse and are supporting their children who are under 20 years old)
- (2) Widows (women whose husband has passed away)
- (3) Orphaned children (under the age of 20)
- (4) Children from a single-mother household
- (5) Adults over 20 years from a single-mother household
- (6) Single mothers over 40 years old who no longer need to support their children

Please inquire with your municipal office for further details. If you would like to apply for the loan, please consult with a municipal staff near you or with the supervisor of your evacuation shelter.
