- Specialized training schools are categorized into three courses according to the qualifications for entry: upper secondary courses for junior high school graduates, specialized courses for high school, university and junior college graduates, and general courses that have no entry qualifications. Schools with upper secondary courses are called upper specialized training schools, whereas schools with specialized courses are called specialized schools.
- Prep schools, car maintenance schools, and international schools fall under the category of miscellaneous schools.

[Reference] Household expenditure on education per student per year in kindergartens, elementary schools, junior high schools and high schools

School education expenses (includes tuition fees, class room activity expenses, transportation fees, and uniforms) school meals expenses, expenses for activities outside the school

(unit: yen)

Classification	Kindergarten		Elementary school		Junior high school		High school	
	Public	Private	Public	Private	Public	Private	Public	Private
School education expenses	129,581	358,313	54,929	835,202	131,501	990,398	237,669	685,075
